

Song for a Winter's Night - Gordon Lightfoot

G D Em C  
The lamp is burnin' low upon my table top,  
G D G D  
The snow is softly falling.  
G D Em C  
The air is still within the silence of my room,  
G D G  
I hear your voice softly calling.

D C D  
If I could only have you near,  
Bm (or D) Em Am D  
To breathe a sigh or two,  
G D Em C  
I would be happy just to hold the hands I love..  
G D G D  
on this winter's night with you.

G D Em C  
The smoke is rising in the shadows overhead,  
G D G D  
My glass is almost empty.  
G D Em C  
I read again between the lines upon the page,  
G D G  
The words of love you sent me.

D C D  
If I could know within my heart  
Bm (or D) Em Am D  
That you were lonely too  
G D Em C  
I would be happy just to hold the hands I love  
G D G D  
Upon this winter night with you.

G D Em C  
The fire is dying now, my lamp is growing dim  
G D G D  
The shades of night are lifting  
G D Em C  
The mornin' light steals across my windowpane  
G D G  
Where webs of snow are drifting.

D C D  
If I could only have you near  
Bm (or D) Em Am D  
To breathe a sigh or two  
G D Em C  
I would be happy just to hold the hands I love  
G D B7  
And to be once again with you.  
G D G  
and to be once again with you.
