[C] Ain't gonna marry in the [G] fall
[Dm] Ain't gonna marry in the [C] spring
For [Dm] you're in love
With a [C] pretty little girl
Who [Dm] wears a diamond [G] ring

[C] You're just a [Dm] country [G] boy
[C] Money have you [F] none
[G] But you've got silver
[C] In the [Am] stars and
[Dm] Gold [G] in the morning [C] sun
[Dm] Gold [G] in the morning [C] sun

[C] Never gonna kiss the ruby red [G] lips
[Dm] Of the prettiest girl in [C] town
Never gonna [Dm] ask her if she'll [C] marry you
She'd [Dm] only turn you [G] down

[C] You're just a [Dm] country [G] boy
[C] Money have you [F] none
[G] But you've got silver
[C] In the [Am] stars and
[Dm] Gold [G] in the morning [C] sun
[Dm] Gold [G] in the morning [C] sun

[C] Never could afford a store bought [G] ring
With a [Dm] sparklin' diamond [C] stone
[Dm] All you can afford is a [C] loving heart
The [Dm] only one you [G] own

[C] You're just a [Dm] country [G] boy
[C] Money have you [F] none
[G] But you've got silver
[C] In the [Am] stars and
[Dm] Gold [G] in the morning [C] sun
[Dm] Gold [G] in the morning [C] sun
